
Esoteric Music Based Musical Seership Richard

the music of gurdjieff and de hartmann - the music of gurdjieff and de hartmann¹ one of gurdjieff's greatest legacies is the body of music he created collaboratively with his musically gifted pupil thomas de hartmann. in the span of a decade, from 1919 to 1929, they composed more than 300 pieces of music based on traditional and religious **spiritual power of sound - samael aun weor** - sound thirteen, yet we urgently need musical apparatuses like that of king too-toz. we need to vivify the nirioonossian sound vibrations of our world in order to intensify the cosmic _____ spiritual power of sound / the science of music - samael aun weor pag. 3 **social movements, music, and race - princeton university** - social movements, music, and race on december 23, 1938, ... succeeded in boosting folk music from an esoteric genre meaningful to academics and antiquarians into a genre of popular music familiar to ... the political meaning of folk music is based on its "ownership" by the **the structure of plato's dialogues and greek music theory ...** - developed an esoteric music theory on the basis of platonian-pythagorean principles in his *die harmonikale symbolik des althertums* (2 vols, 1868 and 1876). more recently, the musicologist ernest mcclain argued in 1978 that "plato's republic embodies a treatise on equal temperament," an important modern musical tuning system.¹ the essential **patrick mulcahy - avalonlibrary** - recalibrate the musical octaves so that they synchronize perfectly with the underlying metaphysical structure of our universe. the resulting tones can then be employed in practical esoteric work, or in music composition. it is not generally known, but the standard western system of musical pitch (i.e. note frequency), in **eastern and western concepts in music - hgsitebuilder** - eastern and western music in azerbaijan azerbaijan is a country that sits on the edge of eastern europe and western asia which has an indigenous, traditional eastern style 'art' music called mughamgham is an integral part of the azerbaijani national identity which is more asian in flavor, and is a **music, the birth of tragedy, and nietzsche's phenomenology** - indeed the more esoteric point of nietzsche's conclusion to the birth of tragedy. as i argue elsewhere,²⁰ nietzsche's most routinely "scientific" or scholarly discovery concerned the prosody or musical intonation of ancient greek and it was this discovery **the kalevala, popular music, and national culture kari ...** - the kalevala, popular music, and national culture kari kallioniemi & kimi kärki university of turku abstract this article examines the diverse and at times hard-to-discern relationship between the finnish national epic, the kalevala, and finnish popular music. the kalevala, existing in a number of variations already in **major themes in the magic flute - sf opera** - music and other works that are still played in ceremonies of masonry today. but it was mozart's last opera, the magic flute, which is said to offer the most esoteric masonic symbolism and meaning. the magic flute has been described as "an enlightenment allegory, veiled in masonic ritual." the story, founded on a fable by wieland, is based upon a **gentle introduction to south indian classical (karnatic ...** - a gentle introduction to south indian classical (karnatic) music part i of iv by mahadevan ramesh mahadevan_ramesh@mextor acknowledgements i owe a tremendous amount of gratitude to my music teachers, prof. t. r. subramaniam and prof. prabhakara varma and to friends like surya prabha, srikanth chary and prof. **'music appreciation' as praxis - tandfonline** - cultural roles for music are typically ignored or disparaged; the more popular or useful a type of music is, the less it is said to have 'strictly musical' value.⁶ even music that is 'good of its kind' is denied the status of 'good music'.⁷ a consequence of these conditions at work in the music world has been a growing **speculative music - d3vhs** - the theme of scott's book, however, is philosophical or even esoteric as much it is musical: it is that changes in music actually causes changes in human society and in human consciousness. from his reading of plato, who writes in the republic and the laws of the effects of music on public **the muriel mcbrien kauffman master pianists series lise de ...** - musical and pianistic innovations of debussy and ravel were, in part, a reaction to what they regarded as the ... variations - is based on a humble tune from a handel harpsichord suite. between them, claude debussy and maurice ... it was fairly esoteric music. the eight-bar theme is the air from handel's petite suite in b-flat, ... **aesthetics, dynamics, and musical scales: a golden connection** - aesthetics, dynamics, and musical scales: a golden connection ... new music research 31, 51-58, 2002. ... pythagorean ratios were quickly utilized for the construction of a musical theory. this musical theory was based fundamentally on the construction of a musical scale: the pythagorean musical scale. ... **mozart's piano music (review) - project muse** - mozart's piano music (review) john irving music and letters, volume 89, number 3, august 2008, pp. 467-472 (review) ... encouraging to see computer-based studies like this bearing fruit, and particularly, in two cases ... made this music appear rather esoteric, some-thing aimed at the professional rather than the
